### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

While Bonnet shows a conveyor with a plurality of transport elements arranged on the conveyor to ride along parallel lateral tracks transverse to the direction of travel, a motor associated with each of the transport elements to drive the transport elements along the tracks, and a local controller associated with each of the transport elements, the local controller does not ride with the transport element along one of the tracks as required by the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
